

Friends of Badger Park—Newsletter

July 2026

Welcome!

A lot has happened since our last Newsletter in 2025! It is time to think and share on all the achievements of our community group during this year.

We are still wanting new members to join so if you are able to meet with us (we don't meet very regularly) and help out at some of our events, we would love to hear from you. Drop us an email (friendsofbadgerpark@gmail.com), or get in touch through the Facebook page.

Improvements in the Park & Vandalism

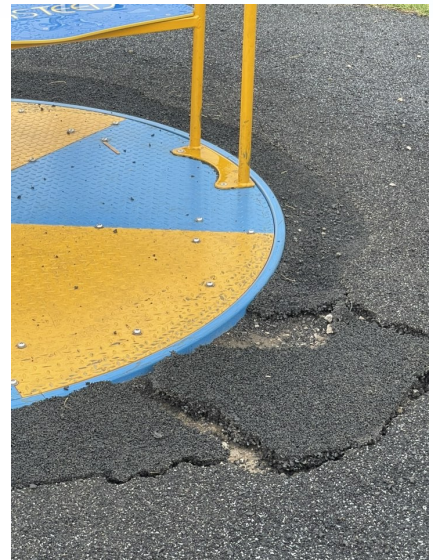

At Friends of Badger Park, we continue to work towards improving the park and making the most of this valuable community space for everyone to enjoy.

Our main focus this year has been tackling vandalism. We are pleased that CCTV has now been installed, which we hope will help deter further incidents and make the park a safer place for all users.

Unfortunately, there has been ongoing damage to the tarmac within the play area, resulting in temporary closures while repairs are carried out.

Even more concerning has been the deliberate destruction of the two benches in the tarmac area. On two separate occasions, the benches were set alight using fuel and burned to the ground. These senseless acts of vandalism not only damage park facilities but also reduce the enjoyment of the park for the whole community. We are currently awaiting an update regarding the replacement of the benches.

Despite these setbacks, Friends of Badger Park remains committed to improving the park and working with the council and the local community to ensure it remains a welcoming and enjoyable place for everyone.

Get in touch if you want to help in any way: friendsofbadgerpark@gmail.com

Community events

We like to organize events to bring the community together, all funds raised (if any) are for improvements in the Park or future events.

- Colour Run 2025

Our popular Colour Run returned in August 2025, attracting more runners than ever before!

It was an incredibly fun and colourful afternoon, with plenty of games and entertainment for the whole family.

A huge thank you to SHAPE for their continued support and for helping out once again.

Colour Run

- Christmas Carols 2025

Bringing the community together to sing Christmas carols is always something special. As a new event for our community, it was wonderful to enjoy an evening filled with festive spirit, great company, and plenty of Christmas cheer.

We hope this will become an annual tradition, so join us again next Christmas. Sing loud, sing often, and let's have some festive fun together!

Christmas Carols

- Family Walk 2026

Another successful event delivered in collaboration with SHAPE! A family walk is always a wonderful way to spend a sunny summer day together. Although this year, it may have been a *little* too sunny!

We'll be back with another family walk in the autumn, when the cooler weather should make for an even more enjoyable day out. We hope you'll join us!

2026 — The mission continues

Not to be deterred, the community group is stronger than ever. We continue to plan events, fundraise, and work together to create a fabulous community space for everyone to enjoy.

Our ongoing plans include installing new noticeboards, replacing the damaged benches, and continuing our work to tackle vandalism.

If you have any suggestions for improvements to the park or ideas for future events, we would love to hear from you. Please get in touch either by email (friendsofbadgerpark@gmail.com) or through our Facebook page.
